Traditional Brassware

Carlisle Brass source quality furniture period designs in various styles and finishes that combine aesthetic beauty with practical usage, benefiting from quality materials at competitive prices.

Carlisle Brass furniture is available on round rose and a wide range of backplates covering latch, lock, bathroom & privacy functions compatible with most lock centres.

Carlisle Brass furniture is available in brass and is plated to a wide variety of finishes to match any required décor. Pull handles, escutcheons and entrance door accessories are also available to match.

Carlisle Brass protect their brass products with the most advanced lacquer available which should be cleaned with a cloth moistened by soapy water or alternatively wiped with a soft cloth and beeswax, under no circumstances should metal cleaner or aerosol sprays be used to clean these products.
